

Workplace Health and Safety Policy Statement

EcOz is committed to ensuring a safe and healthy workplace for its workers by eliminating or minimising the risk of injury to people and the risk of damage to plant and equipment. We will achieve this by following relevant legislation and adopting a risk management strategy of:

- Staff consultation in safety issues
- Identifying hazards in the workplace
- Assessing risks to workers and others
- Deciding on control measures
- Monitoring that the controls are effective
- Implementing those controls
- Establishing measurable objectives to ensure continued improvement.

EcOz is committed to providing:

- A safe work environment
- Suitable and safe equipment
- Properly maintained equipment
- Information, instruction, training and supervision to ensure competence and safety
- Safe systems of work.

Managers and supervisors will take reasonable precautions and exercise proper diligence to comply with safety legislation and obligations and will establish measurable objectives and targets to ensure continued improvement aimed at elimination of work-related injuries and illness.

Staff will follow all Health and Safety policies, procedures, and processes.
